Operational efficiency Communication Web site analysis Compassion Research Customer relationship management Data management Operations

Maris was instrumental in enhancing our website's assessment tool, leading both its design improvements and the migration of client assessment data. They meticulously reworked changes and enhancements to ensure the tool was user-friendly and effective, demonstrating both technical skill and creative problem-solving. In addition to their hands-on contributions, Maris took full responsibility for tracking team members' progress, documenting all completed tasks, and ensuring a smooth handover. Their commitment was evident in their consistent attendance at all meetings and their excellent communication, keeping the team aligned and on track. Their dedication, leadership, and attention to detail were key to the project's overall
